This chick! I mean, first she's all like 'Stop evil guy!'
And then there were flashing lights and she was naked and I saw her panties.
And she had huuuge b-
Wasn't there a part where she, you know, saved your life?
Well, yeah, she did that too . . .
Mmhmm.
. . . boobily.
Right.
Well there you have it, the suspect was apprehended and a life was saved.
All thanks to this . . .

I'm Adheleide Kirschner, and this is -
...

Panty Vigilante
Can I at least take off this moose head? I can't see anything.
Nice try. I'm not falling for your criminal tricks.
-Channel 5 News.
And I hate everyone.

Thank Gawd that's over! Another victory for Yours Truly. Am I right?
STOP
You were careless.
Well maybe I could defeat bad guys easier if I had super powers, geez.
You can't be trusted with super powers after what just happened!

PING!
PING!
PING!
PING!
PING!
BANG!
PLINK!
CRASH

Well I had to get creative! Besides, I was super hungry.
I can't believe your obsession with food!
Let me put this in terms you'll understand . . .
Fighting is like wrapping a burrito.
It requires patience and restraint. But it holds great surprises when you need it most.
Mmmmm . . . burrito . . .

Waiting for me at home is the ultimate burrito: The Cheesy Ass Blaster
Ahm! Burrito-some!
It's like coming home to a virile lover.
That's just disturbing . . .
That's right! Nothing to do tonight but eat burritos and read comics. And . . .

. . . I'm fixing to get me some new comics!

How long are you going to take? This is so uncomfortable.
I'll be done soon. Just one more.
Just hurry, will ya? I'm stuck in here with your month-old theater Skittles.

It's sticking to my tail!
Wait a second . . .
Gnome Lords of the Underrow
. . . is that . . .
. . . the reporter from the other day?

Ugh, not this guy.

Hey, Miss Cheri.
Hi, Jared.
I see you're reading Captain Liberty. You should probably start before the Dunwich Event or you won't get the current run.
I know. I've been reading it since I was eight.
I already know about the hell portals.
The series has gone downhill since they turned him into a woman. Women couldn't fly with super stregnth like that. It's biology.
Their market is white guys. This is really gonna hurt their sales. Everyone knows that women don't sell comics.
All this diversity is just an SJW conspiracy.
Well actually, they're not technically "hell portals", they're portals to another dimension. You'll pick it up eventually.
You know I work in a comic store, right?
Welp, time to blow this popscicle stand.
Problem?
It's just this dude comes in and is super annoying.
Going so soon, M'lady?

Oh my goodness! I, uh, just realized I'm allergic to CMYK. Bye!
Ever since they switched writers, this series has really gone downhill.
How . . .?
SLAM!
Don't worry, M'lady, I'll pay for these!
N-no, please . . .
I insist!
Get one girl thinking she's a hero in this town, suddenly everybody's a Feminist.

And here I thought this kind of sleaze only existed in the comics I came to look at.
GOSAURUS EX
I can buy my own damn books.

And my name is Kate.

She doesn't like nice guys? Well I'll show her. I'll show everyone.
The Nice Guy Gloves are coming off!

Ugh, that guy is such a butt hole! I can't stand him!
Did I ever tell you you're a real poet?
What the hell was that?!
CRASH!
Well there's no buzzing, so hopefully I'm off the hook.
Oh no, it's danger! Run!
We're gonna die!
Oh come on!
Bzzzzzz

A giant burrito monster?!
So, do you think he's single?

Ack!
CRASH!
Incoming!
Hurry, Kate! Transform!
Right!
GIGA PANTY TRANSFORMATION!

Man, that was one bad moose.
And apparently there's an attack over by the Mexican place on Main Street.
Gasp!
The Panty Vigilante might be there!

There she is!
Wow, she looks Fantastic!
I'll be the first to get her on video! Surely that'll make the Big Guys notice me!
oREC

Time to show this burrito who's really grande! The special today is my fist with extra guac! And it's gonna be spicy!
Slurrrrrrrp!
Delicious!

BLOOORGBL!
Watch out!
HISS!
It's spewing scalding hot cheese!
Ah!
That belongs on the roof of my mouth, not my skin! It's unforgivable!
RAAAAWR!

I was once put in the friendzone and all I found were enemies.
I am here to restore chivalry and the biological order for men!
I am Neckbeard Fedora!
Huh?

Seriously?
STEP
Never fear, M'lady. Your prince has come!
Dude! You can't just put on a mask and barge in on my fight!
The damsel rejects the Nice Guy again!
Screw you and your back handed niceness!
Are they . . . arguing?
Oh boy, this video's going to be captivating.

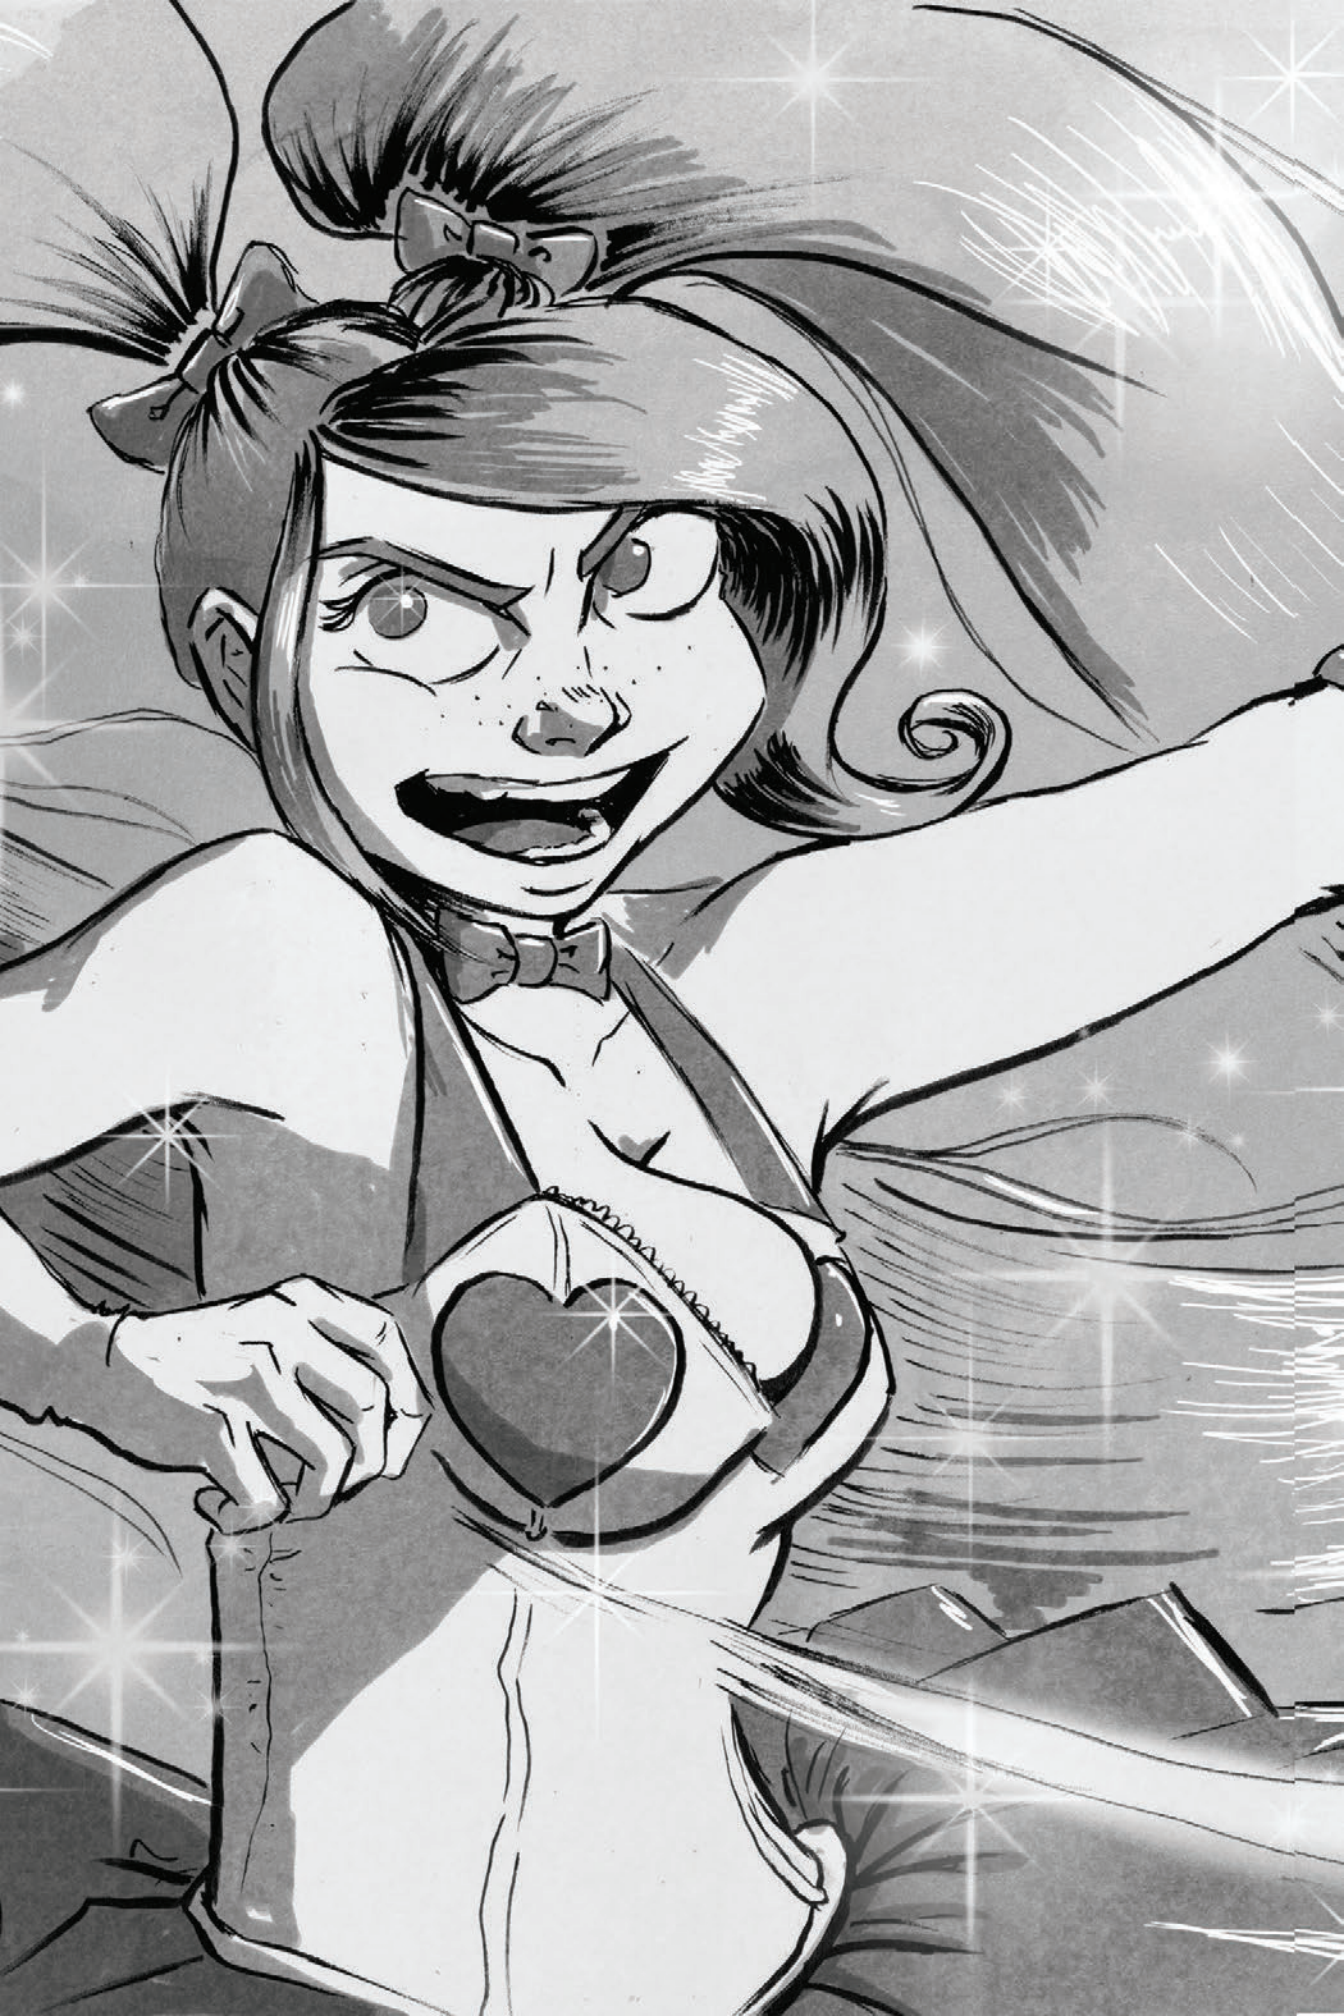
Hit the deck! It's bean bullets!
The weak spot is in the very center!
How the hell would you know?!
Cat Scan!

Kate! Remember what I told you earlier!
It's time to reach down and pull out those surprises!
I said they'd appear when we need them most, and we really, most definitely need them now!
Right! Here goes nothing.
Twinkle, twinkle . . .



BOOBARANG!

SPLAT!

SHOOM!
You did it!
That was awesome! I knew you had it in you!
And as for you . . .
Gone!
Huh?
After all that, he's just . . . gone?

Soon, Panty Vigilante . . .
. . . you'll see my full power and the full breadth of my chivalry!
Well, good riddance to bad rubbish, I guess? I hope I never see that creeper again.
Well that certainly beats covering the local cat rodeo another year.
Anchorwoman, here I come.

Curses!
The monster was defeated by this . . . this Panty Vigilante!
Panty Vigilante
Wark.
I wasn't ready! Showing my hand too soon is career suicide! It's the penguin's fault!
Wark, wark . . .
After all he was the one who accidentally fired the transformation ray while cleaning it.
Oh, I can't stay mad at you!
Wark!
Although, the burrito *did* transform. The ray is a success . . .

This just fuels my sciency fire! The time for my grand experiment has finally come! Let us see what you are truly capable of, Panty Vigilante!
With my trusty Storage Penguin by my side!
Wark!
MUAHAHAHAHAHAHAHAHAHA!

Nom!
I can't believe you're eating that after today.
I can't believe you're eating a salad, so we're even.
Well one of us has to eat a vegetable every once in a while.
You're just grumpy because I'm carnivore bliss and you're too dainty to deal!
You're not fooling anyone, Sammich!
Hmph. Humans.
